PARIS AND MEXICO STRENGTHENED TIES AFTER A LONG PERIOD OF COLD DIPLOMATIC RELATIONS

This shift coincided with the military parade of 14 July where Mexico was honored with the presence of 156 soldiers of the different corps of his army and his police, who opened the parade with their mascots, three falcons and three eagles.

"It's also the first time a state visit is organized at the national festival, explained the French Presidency.-----

This state visit in style, helped to restore the rather cold relationship between the two countries since the case of Florence Break, under the presidency of Nicolas Sarkozy. (She was arrested in 2005 and released in 2013, suspected of being an accomplice in a kidnapping case. Following the intervention of the French President Sarkozy, to release her.)

This intervention is not well received by the Mexican press and the associations of victims of kidnappings and President Calderon rejects. Indeed this had strained relations between the two countries, given that the 8000 abductions / year in Mexico have not facilitated the special treatment of Florence Break, which suddenly receives a total sentence of 70 years by the Mexican justice, despite appeal to justice ...-----

The French welcome was warm and prestigious, after all, allowed to please the President Enrique Pena Nieto and lived up to his expectations. So that, after the meeting of the two heads of state, including an official dinner at Elysee Palace and the rest of his visit to Marseille and industrial sites, have resulted the signature of twenty bilateral agreements, up to EUR 8 million, since then.

TWENTY AGREEMENTS SIGNED AFTER THE 4 DAY STATE VISIT AS GUEST OF HONOUR AT FRENCH NATIONAL DAY

In making Mexico a guest of honor at the parade on July 14, 2015, France thus formalizes a bang this rapprochement. With bonus signing a "twenty agreements" with the key of the four-day state visit, said the Elysee.-----

Other agreements in the field of energy could also be created while Mexico is preparing to partially privatize its oil sector, state property since 1938, following a historic reform.

Mexican President will also meet with the presidents of the Assembly and the Senate and will go to the town hall of Paris. The visit will also include a cultural component with the presentation of the project of the future House of Mexico, on the banks of the Seine, which Pena Nieto has decided to contribute up to EUR 8 million.-----
